County totals for HIV and AIDS do not include persons living in correctional facilities and institutions at the time of diagnosis. Cumulative HIV cases may show declines from prior years due to their reclassification as AIDS cases.

Uniform Crime Reporting began in 2001. Data not comparable to prior years.

- SATOP clients referred to Clinical Intervention Services (CIP) and Youth Clinical Intervention Services (YCIP) are also quantified under Treatment Program Admissions.
- \*\*\*\* In this table, client admission counts are unduplicated by client state identification number and facility code and represent the number of clients admitted to each facility.

Statewide, regional, county, and category totals may not match due to noninclusive categories, incomplete data, and services to Missouri non-residents.
